

ES-02 White

Enhance ergonomics and increase workspace with the AG Neovo ES-02 White height adjustable display stand.

Adjust display height, swivel left to right, and even tilt and rotate for optimum viewing with the ES-02 White display stand. Smart cable management routes and hides the cables behind the stand. This adjustable, highly durable and VESA compatible design supports a wide range of display weight from 2 kg ~ 8 kg and provides a variety of viewing angles for maximum ergonomic comfort.

- > Easy-to-use yet rugged design
- > Quick installation and effortless operation
- > Compatible with VESA standard (75 x 75mm and 100 x 100mm)
- > Height adjustment up to 130mm
- > Pivot for landscape or portrait display
- > Swivel left and right for 360°
- > Tilt up and down for 30°
- > Weight capacity: 2~8Kg
- > Suitable for AG Neovo DR series and other displays under 24" (all with the base removed)
